

Balance - Green & Stable

The BALANCE project addresses a key priority of the EU related to environmental and climate goals. According to the Green Deal presented by the European Commission in December 2019, Europe should become a climate-neutral continent by 2050.

BALANCE
green and stable

The partnership:

E-LEARNING PLATFORM

www.e-learning.balanceproject.eu

The Green Transformation is here!

Co-funded by the
Erasmus+ Programme
of the European Union

**We help SMEs
and business
consultants
implement
green
operations in
their daily
business!**

Get Inspired!

You can find green practices from all across the EU that have proved worthy in our report **Green policies and financial sustainability - Analysed Best Practises**

Educate!

Explore our training program that is ready to be used by consultants and SMEs decision-makers. The program is the first of its kind because it combines practical examples and theoretical knowledge on how to transform a real-life business into a greener and more sustainable one.

Train!

In our training platform you can find interactive presentations easy to be grasped on and prepare your business for green the transformation!
